Profile on LinkedIn

@iDiscoveryInc

At iDS, Rick leads the Discovery Services Analytics team – helping clients analyze and review unstructured data in support of eDiscovery matters and corporate investigations.

Rick has extensive experience working with many Fortune 500 companies and Am Law 100 law firms. Prior to joining iDS, Richard worked for KPMG, Huron Consulting, CACI, and Complete Discovery Source in various roles primarily focused on analytics.

In his free time, Rick enjoys sports, cars, hiking, traveling, architecture, and cooking.
