@iDiscoveryInc

Sangeetha, a certified PMP®, is a Sr. Consultant for iDS. She has extensive experience assisting clients and managing projects involving eDiscovery, records management, and databases.

Sangeetha has performed complex data analysis, implemented efficient workflows on best practices for data processing, document review, productions, and advanced analytics on many rapidly paced and large scale domestic and international matters. She also regularly conducts training and demonstrations of Relativity for clients.

Prior to joining iDS, Sangeetha was an Assistant Manager/Sr. Associate at Deloitte Discovery, where she collaborated with general counsel, outside counsel, and third-party service providers to develop and implement eDiscovery procedures.

Sangeetha was born and raised in Hyderabad, India. In her free time, she enjoys spending time with family and hiking in the Pacific Northwest.
