@iDiscoveryInc

Jason Higley, Senior Managing Consultant at iDiscovery Solutions (iDS), leads the Forensics Team in Washington, DC. A retired federal law enforcement officer, Jason has been dedicated to criminal investigations since the early 2000s and has specialized in computer and mobile forensics since 2009.

Before joining iDS, Jason served as a Special Agent, Senior Special Agent, and Digital Forensic Examiner at the U.S. Department of Justice Office of the Inspector General, where he handled criminal and internal investigations involving fraud, public corruption, and cyber-related crimes.

Jason began his law enforcement career with the U.S. Secret Service Washington Field Office, where he investigated counterfeiting, bank fraud, access device fraud, identity theft, and other crimes. He also provided protection for the President, Vice President, foreign heads of state, and other dignitaries.

COMPUTER FORENSICS EXPERIENCE

Mr. Higley received his initial computer forensics training and certification in 2009 from the Department of Defense Cyber Crime Center. Since that time, he has regularly conducted the most complex examinations of digital devices. He is a subject-matter expert in the extraction and analysis of computers (Windows and Mac), mobile devices (iOS and Android), wearable devices, and drones (UAVs). Mr. Higley has over 1000 hours of formal training in computer and mobile forensics, including advanced courses in the extraction and analysis of Android and iOS devices, Windows Registry and RAM analysis, and analysis of Mac computers. He currently holds the EnCase Certified Examiner (EnCE), Cellebrite Certified Mobile Examiner (CCME), and Magnet Certified Forensic Examiner (MCFE) credentials.

INVESTIGATIVE EXPERIENCE

During his law enforcement career, Mr. Higley planned and conducted—both independently and as part of multi-agency teams—the most sensitive investigations of Department of Justice senior officials and operational failures. He has testified for hundreds of hours in dozens of judicial, administrative, and Congressional proceedings. Below is a sample of these high-profile investigations:

- Review of the FBI's Performance in Deterring, Detecting Robert Philip Hanssen
- Investigation and prosecution of Abramoff associate Kevin Ring
- Investigation of ATF's Operation Fast and Furious and Related Matters
- Review of Information Handling Prior to the 2013 Boston Marathon Bombings
- Actions by the FBI and Department of Justice in Advance of the 2016 Election
- Investigation and Prosecution of Deputy U.S. Marshal Ian Diaz

AWARDS

Mr. Higley is a two-time recipient of The Alexander Hamilton Award, the highest award presented by the Council of the Inspectors General on Integrity and Efficiency for outstanding achievements in improving the integrity, efficiency, or effectiveness of Executive Branch operations. He is also the recipient of The Attorney General's Distinguished Service Award, given to those who exemplify the highest commitment to the mission of the Department of Justice.

EDUCATION

- M.A, International Affairs, American University, Washington, DC
- B.A. Magna cum Laude, History, University of New Hampshire, Durham, NH
